Each 1/4 page submission must also be accompanied by a photo.
For best reproduction, photos should be original digital images or 300 DPI scans.

A 3-generation pedigree is also required. You are responsible for the accuracy of the pedigree submitted.
Please remember that the SIRE line goes on TOP in the pedigree. You may provide a scan of the official AKC pedigree, link to an online pedigree (i.e. Dobequest), typed up pedigree in Word or Excel, or a PDF.
